**From the President's corner**

Doris and I were sorry to miss the rally at Evergreen, but we have a grandson back safe and sound. Everyone I've spoken to has raved about the campground and the weekend in general. It sure is nice part of the country up there. Mr. Bracken has informed me that he has all the officer ballots back in. We will announce the results when we get the nominating committee to count them at the rally at Renfro Valley as I missed the last one. We are saying a prayer for all the members who are ailing or have any procedures scheduled. We are looking forward to seeing all of you in Kentucky in a few days.

### **From our National Director**

While attending the workshop at Cincinnati in September one of the questions asked was what is the most important benefit of FMCA. For many of us the magazine, the FMCA Assist and the area and international rallies come to mind right away. But for me I thoroughly enjoyed the meeting of FMCA friends whether we are just getting acquainted or known each other for several years. Each trip offers all of us a chance to add to the memory bank and reminded how precious our lifestyle has become. Last weekend spent at Evergreen Park in Amish community of Ohio was unique. Bob Dawson and I met fellow Rvers who did not know about FMCA and all it has to offer. Every one of us needs to talk to fellow campers while on the road and extend an invitation to check us out. Anyone who needs help doing this please feel free to contact me and I will do my best to add to our membership. Remember each RV you recruit is \$10 for you and a great opportunity for them. While we still have the November rally at Renfro Valley many of us have already headed to warm weather. Safe travels to all of you and see you down the road.

Jane Roush, National Director 614-561-9938

### **Condolence**

Our deepest sympathy to Loretta Bracken and family for the passing of Loretta's brother he was 80 years young.

## **UNDER THE WEATHER**

As some people were aware Gordon Baker had to leave early on Sunday morning because of health reasons. The week after he has been going to doctors and having all sorts of test done and will be having more next week. Will keep you posted, and keep him in your prayers
