A Note from our President.

The rally at Poor Farmers campground (owner travels by own helicopter) was a very nice experience. I thought it was a great place and would return. Good job Mr. Wagonmaster. We had 26 coaches, which is good for any July rally. We did not have a formal meeting on Saturday morning so some could represent our chapter at the funeral of the brother of Nancy Lohbeck. All the food and activities were great as usual. The Supe's did their usual creative job for Saturday dinner, which was great. We had an informal meeting to discuss any issues. We had a suggestion that we change our general meeting from Saturday morning to Friday after the evening meal. I put it to a show of hands and got an overwhelming yes response. We will try it to see how it works. The meeting can be moved or not held as events warrant. This would take care of late sleepers, garage sale enthusiasts, or anyone who wants a Saturday morning activity. We had and approved a motion to pay \$500.00 as a small portion of the National Director's travel expenses to represent our chapter at the National event in Wisconsin. We missed all who weren't there especially those due to health reasons. We wish them all well and return soon.

Bob Oaks

From our National Director

There is a great detail article in the July 2011 FMCA magazine concerning FMCAassist. Pages 54 through 57 gives everyone information that answers a lot of questions you may have about this benefit. Be sure to keep this with you in case you ever need to use it. I keep a folder in the RV with page protectors and in one is now this complete article for a quick reference. I also want to thank Tri-State Traveliers for their support and promise to do my best in voting on the many issues and electing new national officers during the Board of Directors meeting at Madison, WI. I will give my report at the August rally being held at Granville, Ohio the weekend after Madison, WI. Hope to see many of you there. Until we hook up together again, safe travels and well see you down the road.

Thanks Jane Roush, National Director 614-561-9938
